"True nature as lived, is as perfect as an
unwritten number, everywhere at once across
space and time."

LINCOLN D. LYNCH
Superintendent of Schools

Seniors: I can think of no better message for young people about to enter a new life than this poem by Edgar A. Guest. Humor, perseverance and a sincere regard for others are essential ingredients to a happy life.

IT COULDN'T BE DONE

Somebody said that it couldn't be done,
But he with a chuckle replied
That "maybe it couldn't," but he would be one
Who wouldn't say so till he'd tried.
So he buckled right in with the trace of a grin
On his face. If he worried he hid it.
He started to sing as he tackled the thing
That couldn't be done, and he did it.

Somebody scoffed: "Oh, you'll never do that;
At least no one ever has done it";
But he took off his coat and he took off his hat,
And the first thing we knew he'd begun it.
With a lift of his chin and a bit of a grin,
Without any doubting or quiddit,
He started to sing as he tackled the thing
That couldn't be done, and he did it.

There are thousands to tell you it cannot be done,

There are thousands to prophesy failure;
There are thousands to point out to you, one by one,

The dangers that wait to assail you.
But just buckle in with a bit of a grin,
Just take off your coat and go to it;
Just start to sing as you tackle the thing
That "cannot be done," and you'll do it.

Edgar A. Guest

May I share with you a few homespun, workable bits of philosophy gleaned over the years for which I accept no credit of authorship:

Set your sights high enough: extend your reach further than your grasp.

Too often we get caught-up being more concerned with the shadow rather the substance of the matter.

Some are so concerned about being in tune with the times that they become tone-deaf to the song of life.

Seemingly conflicting, but try to find the median between: "Cannot move forward constantly looking back over your shoulder;" and, "Pluck from the past that which enlightens the present."

We hear a lot about individual freedom. Remember, your degree of freedom extends only as far as the end of the other fellow's nose.

Hold your feelings in bound. Remember that intellect is but a speck on the sea of motion.

Finally, Middleboro's own H.B.B. on frequent occasion would say: I'd rather wear out than rust out." Or, "Need a task done? Don't bother with anyone who isn't busy."

My sincerest wishes for success in your future endeavors.

CROCKER

As my friends and I grow up to become adults,
This is the doing of you God, your final results.
My friends and I will have good times to share.
Each moment of life so precious and rare.
For each friend I will never condemn.
I will always have a special love for all of them.
Suddenly a friend dies God, you say he has to go.
I know he will be happy with you God, but still it hurts me so.
Now there are only memories of the times we used to share,
Oh God please tell my friends for me that I still care.

REMEMBER WHEN

... a star athlete announced to a Bio I class that he uses Fem Iron?
 ... in Driver's Ed, Mr. Montouri would sit in a chair, use a detached steering wheel and zoom around the room?
 ... it rained at almost every football game in a season
 ... the Russian classes went to see the Soviet warships in Boston Harbor and got separated (especially Renee and Emily who went on the wrong boat).
 ... Bernie ran off the wrong side of the field; ran up to the football, kicked and missed. Remember when Bernie did anything right in Football?
 ... we were freshmen and all the Seniors were big and tall and now we're still the same height

... we had a dress code
 ... the Girls' Track team was undefeated?
 ... Tanya left her skirt behind in a corridor of the Burkland School
 ... Miss Dupee dissected the skunk
 Remember Bandy?
 ... every town in the region had snow days except Middleboro
 ... Scott told Mrs. Vintro he pre-

ferred to do his oral report alone with her on Friday night
 ... Mrs. Woodburn picked up the bull frog and it wet on her
 ... the fire in the animal room and the subsequent loss of Biology I I term papers
 Remember Pratt Free
 ... on Crazy Day the female population of the school assumed gigantic new proportions
 ... the report cards were computerized and nothing came out right
 ... Miss Wiedl walked into a wastebasket and then nonchantly continued walking
 ... for a lack of a flag, Homeroom 307 saluted a red, white, and blue sock
 ... we came to school in the dark
 ... Mr. Z. sat on the table and it broke
 ... Jim swallowed the pencil

... "outdoor Geometry" appeared in the Brockton Enterprise?
 ... we used to play Batman at West Side
 ... half the Cross Country team got lost in Cohasset but still won
 ... the A Cappella Choir climbed the Christmas tree and sang carols?
 ... Jason sang "I think I love you"
 ... Lyn and Shelley left every day for "cravings"
 ... Friz dressed up as Joe Namath and got all the tackle offers
 ... Helen's gloves were climbing the wall
 ... Miss Dupee took inventory of the boys bathroom?
 ... DECA went to state and brought home all the trophies
 ... we had "rolling" good times in practice rooms

... we waited for Betty's red truck in English II every Tuesday

State Division V: Second Place			
State Meet: 17th Place			

Four years ago the Cross Country team finished its season in a down hill position. Since then the trend had been totally uphill. They have won three consecutive championships in a highly competitive league. Coach Majuri comments that the success is due to tough league and intra-squad competition for all positions.

Along with high team honors were some individual ones. Jason Washburn finished fifth in the first Mass. vs. Conn. Meet. High honors were also won by Jim Libby and Joel Pickering, who won medals in the State Divisional Meet and Matt Sukeforth and Ron Leonard who won medals in the Fall River and League Meets.

In addition to being undefeated in regular season meets, Middleborough also finished second in the State Division V finals, won the Principals' Trophy in the South Shore League Meet for the second consecutive year and placed second in the Fall River Invitational Meet.

MHS DECA Chapter Caps Regional and State Honors

The Class of '76 DECA has been one of the most successful ever. For the first time in MHS DECA history, two of the state officers are students at Middleborough High School. Susan Jewell serves as President of the state organization and Scott Jurgelewicz serves as Treasurer.

The Senior Chapter has been active in school and civic affairs. A weekend flea market, the continued program of involvement at Lakeville State Hospital operation of the DECA Store and the DECA night store are examples of how DECA students are active in the community.

This year, the Distributive Education program has grown from one teacher to two. Miss Teresa Pendleton joined Mr. George Sherman at MHS this year. Among her qualifications, was serving as a national DECA officer.

Another MHS DECA accomplishment this year was organization of the first alumni chapter in the state. Mr. Sherman has been appointed state advisor for alumni chapters.

The MHS DECA Chapter was also chosen Regional Chapter of the year. At press time, the Chapter members and advisors are eagerly preparing for the State Chapter of the year competition.

In summary, MHS has a DECA program that's really great and we're proud of all they've accomplished!

MHS Seniors serve as state DECA officers President Susan Jewell and Treasurer Scott Jurelewicz

The 400 year old cran- berry

Cranberries were already 200 years old when John Hancock was signing the Declaration of Independence. They are definitely a part of our country's heritage, for they have the distinction of being a berry native to North America. Today when you enjoy one of the many Ocean Spray products made from the little red berry, remember, you are sharing in a small piece of our country's heritage.

The cranberry people.
